INVESTMENT SERVICES

Futures Assured Limited is permitted to advise on and arrange (bring about) deals in investments.

With regard to investments which we have arranged for you, these will not be kept under review, but we will advise you upon your request. However, we may contact you in the future by means of an unsolicited promotion (i.e. where you had not expressly requested it) should we wish to contact you to discuss the relative merits of an investment or service which we feel may be of interest to you. Ongoing advice will be offered and provided if you agree to take these services. Ongoing services can be terminated at any time.

For any investment services provided we will be acting on your behalf unless otherwise stated.

Futures Assured Limited does not handle clients' money. We never accept a cheque made payable to us or handle cash (unless it is payment in settlement of adviser charges or disbursements for which we have sent you an invoice). If you do send us money, this may delay your transaction as we will have to return this money to you.

Where we have categorised you other than as a 'retail client', you may request re-categorisation under a client category which benefits from a higher degree of protection. However, we reserve the right to agree

to such a re-categorisation on a case-by-case basis, and where we agree to do so it does not necessarily mean that you will have a right of access to the Financial Ombudsman Service.

Further information in respect of the Financial Ombudsman Service is available on their website at the address below:

INVESTMENT OBJECTIVES & RESTRICTIONS

Following the issue of this document, any subsequent advice or recommendation offered to you will be based on your stated investment objectives, agreed level of risk you are prepared / able to take and any restrictions you wish to place on the type of investments or policies you are willing to consider. Details of your stated investment objectives will be identified during our discussions with you and confirmed within the suitability report that we will issue to you to confirm our recommendation(s). Unless confirmed in writing, to the contrary, we will assume that you do not wish to place any restrictions on the advice we give you.

CLIENTS RISK

You are advised that because investments can fall as well as rise, you may not get back the full amount invested. Past performance is not a guide to future performance.

HOW WE CHARGE YOU FOR OUR SERVICES

The method of paying for our services will depend on the type / level of service(s) provided. We will discuss your payment options with you and answer any questions you may have.

Advised services

For advised services, you will be charged an adviser charge. The actual amount will depend on the service(s) provided to you and the amount will be agreed with you before we carry out any work that we will charge you for.

Our 'Fee Agreement' that we will issue to you, will contain details of how much you will be charged and how payment is to be made.

Non-advised services

For non-advised services, if commission is available to us, you can choose to pay us by allowing us to keep the commission, or by paying us an adviser charge instead.

If you choose to pay via commission, we will tell you how much the commission is before the transaction is completed.

If you choose to pay an adviser charge, we will agree its basis, frequency and method with you in writing before we carry out any work that you will be charged for.

Examples of the costs of our services are included within the 'Services and Costs Disclosure Document'.

We will not charge you anything until you have agreed on how much we are to be paid.

We will inform you if you have to pay VAT.

ACCOUNTING TO YOU

We will confirm to you in writing the basis of our service and the reasons for recommending any transactions transmitted or executed on your behalf. Where you agree to an ongoing advice we will provide regular reports to you regarding that service.

We will also make arrangements for all your investments to be registered in your name unless you first instruct us otherwise in writing. We will forward to you all documents showing ownership of your investments as soon as practicable after we receive them; where a number of documents relating to a series of transactions is involved, we will normally hold each document until the series is complete and then forward them to you.

NOMINEE & SAFE CUSTODY SERVICES

Futures Assured Limited does not safeguard or administer client assets but we may arrange business through platforms, which will provide custody services for your assets. Where this is the case, the legal title of investments will be registered in the name of the third party's nominee.

Transactions will be transmitted to the fund supermarket, investment wrap platform, or similar third party investment institution for them to execute. Money or transferred assets will be placed immediately with that third party for investment – we will never hold the assets for you. We will provide you with the relevant account opening details for the identified third party such as their Terms & Conditions, Nominee and Safe Custody Service, Best Execution Policy, Execution Venues and Conflicts of Interest Policy (or equivalent documents). The legal title of investments will be in the name of the third party's nominee.

For non-platform business we will make arrangements for your investments to be registered in your name unless you first instruct us otherwise in writing.

RIGHT TO WITHDRAW

In the case of many retail investment products – such as life assurance contracts, personal pension schemes, investment bonds, and collective investment arrangements (e.g. unit trusts), a right to withdraw or cancel the contract within a specified period is normally provided. Details of such rights are ordinarily contained in the product literature (e.g. Key Features document) and/or we may provide details of such rights in a separate communication.

In the case of any non-retail investment products e.g. an ISA wrapper, we will inform you in writing of any right to withdraw or cancel you may have or, if it is the case, we will inform you in writing that no such rights will apply.

TERMINATION OF AUTHORITY

You or we may terminate our authority to act on your behalf at any time, without penalty. Notice of this termination must be given in writing and will take effect from the date of receipt. Termination is without

prejudice to any services already provided / transactions already initiated, which will be completed according to the Client Agreement unless otherwise agreed in writing. You will be liable to pay for any transactions made and / or services carried out prior to termination and any adviser charges or other fees which may be outstanding.

CONFLICTS OF INTEREST

Futures Assured Limited offers services in accordance with that disclosed to you in our initial disclosure document. Occasions may arise where the firm, an employee, or other associates of the firm has competing professional or personal interests which may prevent these services being provided to clients in an independent or impartial manner.

Futures Assured Limited takes all the appropriate steps to prevent conflicts of interests from occurring in line with the firm's conflicts of interest policy. However, there may be occasions where a conflict of interest cannot be prevented. Where this is the case, we will disclose to you the nature of the conflict and the steps that we will take to mitigate the risks that you will be treated unfairly as a result of any conflicts identified.

We will make you aware of any conflicts of interest before the provision of services to enable you to choose whether you still wish to proceed with services. A copy of the firms' conflict of interest policy is available on request.

We may on occasion receive minor non-monetary benefits from third parties such as product providers e.g. food and drink provided at a provider training event. Where relevant, any minor non-monetary benefits received will not conflict with our duty to act in your best interests.

BEST EXECUTION POLICY

It is in the interests of our clients and Futures Assured Limited that we obtain the best possible result when placing orders with other firms (e.g. third party brokers) for the execution of client orders or when transmitting orders on behalf of clients for particular investments – e.g. shares. We are required under the Rules of the Financial Conduct Authority to take all sufficient steps to provide 'best execution' when carrying out such transactions.

Where we place or transmit orders for such investments on behalf of our clients, we may utilise the services of a third party broker and base our decision to place or transmit an order on the price and cost of execution of the order. For orders in collective investment schemes (e.g. unit trust), however, the price of units or shares in the scheme is normally set by the scheme operator or manager and as such we have little influence over the price available.

Full details of our best execution arrangements are provided in our Best Execution Policy, a copy of which can be provided on request.
